1903 Winton Tonneau Touring

1903 WINTON
Manufacturing Features: The Winton motor made the first
light car. Like the 1904 model, the Winton car has a 1,500-
cubic-inch motor with 2 valves per cylinder, and
is the lightest car ever made. It has a 4-cylinder
motor with 2 valves per cylinder and single-track
propulsion.
Dimensions: 22 HP
Weight: 1,500 lbs.
Made in: Winton, Ohio
By: Winton Motor Carriage Co., Winton, Ohio
